CALLING CLAN STONE

To mark the 150th Anniversary of the arrival of Thomas and Ann Stone at Hobart Town on October 11th, 1819, a gathering of their descendants is planned for October 11th 1969, at Laanecoorie (3463), Victoria.

Land has been owned by members of the family since 1854 in this area.

In view of the keen pioneering spirit of the family and the fact that many of the present generation are unacquainted, this seems an appropriate time for a gathering of the family at Laanecoorie.

If those interested in attending will give an indication of their numbers likely to attend by July, 1969, we will then know how many tags to order.

It is also hoped a limited issue of the broad outline of the family history will be provided and for these there will be no charge. Interest would be created if old documents, photos or other interesting things are brought along for present and future use.

It is intended that the gathering be picnic type, with each group bringing their own "basket". The Laanecoorie Hall has been booked for the occasion.

A photographer is being invited and we hope to have "Family Groups", i.e. > "Emma Hope's Group, Ann Rose's Group, Thomas Stone's Group, Joseph Stone's Group, Edward Stone's Group, Alfred Stone's Group, Lucy Field's Group", and a large picture of the gathering to be taken.

To make this easier to organise I would like to know which family those intending to come belong so that I can have colour shaded name tags written out for each group.

Miss Nancy Pickles,
18 Hammer Street,
Bendigo, Victoria, 3550,

... will endeavour to book overnight motel or hotel accommodation for those desiring this done for them.

Any "Clansman" with a particular desire to help is invited as a committee member!

Yours sincerely,

Margaret M. Stone
